Dear Mr. Ravincher:

I am in house counsel for Westinghouse Digital Electronics (WDE) and I am responding to your attached letter to Richard Houn, Chief Executive Officer of WDE. I have shared your letter with Ms. Loni Kupchanko, in house counsel for the company that supplies the video processor electronics for the TX-52F480S product in question. Ms. Kupchanko has handled a prior issue involving the GPL relating to Trident's firmware for the same model television. Here is her contact information.

Loni Kupchanko
Assistant General Counsel
Trident Microsystems, Inc
Office: (408) 764-8917
loni.kupchanko@tridentmicro.com

I will be your contact at Westinghouse and I will call you for a background discussion of Westinghouse's TX-52F480S product (but not the merits of this claim).
